

2015

“Recycle Right Awards”: In celebration of America Recycles Day, the Public Works Department sponsored the 15th annual “Recycle Right” contest. Luisa Robles, Public Works staff, will be present at the meeting to describe the contest and assist with the presentation of the awards.

In support of the national celebration of American Recycles Day on November 15th, several events were held in October and November including

- Green Drop Donation Drop-off (2nd and 4th Saturdays of the month).
- Community Shred-It Event on October 17th
- Electronics Recycling on October 24rd – 228 individuals stopped by.
- Recycling/Sustainability Information Display at the Community Center the month of October
- Recycle Right – Win With Your Bin Contest from November 9 to November 13.
- Cleanup of Indian Creek on Saturday, November 14 – 30 volunteers participated.

Recycle Right – Win With Your Bin Contest.

The recycling collection crews selected several consistently good recyclers on each collection route over the week of November 9-13. Luisa Robles then chose at random (raffle) and selected four winners – one from each of the city collection routes. The fifth winner was selected from a contractual collection route.

Winners were selected based on proper preparation of recyclables. One winner was selected from each of the four city collection routes, along with one winner from a contractual collection route.
